Primary 1/2 Newsletter

Global Citizenship
The whole school had a focus on Global Goals. We did some work on No Hunger. We thought about what makes a healthy plate of food. We also thought of ways to cut down on food waste.

Transition
We were involved in helping the new Primary 1 children find their way around school. It was good fun showing them around the atrium.

Teddy Bears Picnic
On Thursday we are going on a trip to the Botanic Gardens in Edinburgh. We need our teddies and suitable clothes for our visit. We hope we have fun and that the sun shines for us!!!

Planting and Growing
We learned lots about plants and how they grow. We planted seeds and looked after them as they started to grow.

Keeping Myself Safe
The Community Police came into school to talk to us about staying safe. They brought some things for us to try on. We had great fun pre-tending to be in the Police!

Lambs
We were lucky to touch and spend time with the lambs when they visited the nursery. Their coats were soft and curly. It was nice to see them close up when they were in school .

I would like to take this opportunity to thank you all for your continued support and enthusiasm this year. It has been a pleasure to teach your child and I hope that I will be given the opportunity to do so again in the future. All of the children have grown in confidence and skills and I am sure this will continue as they move into Primary 2 and 3.
I hope you all have a fun and 'hot' summer and are able to enjoy your time together.

Heather Galbucci
