

Happy Easter

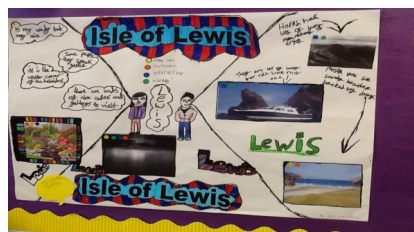

P6 Newsletter

March 2016

It's hard to believe we are almost at Easter! We've had another busy term. Here are just a few of the things we've learned and enjoyed.....

As we are focusing on Scotland we decided to make posters about the Scottish Isles, to attract tourists. For example Skye, Iona and Arran. When you go on holiday, different people like to do different things. Some might surf, others might like to visit famous land marks. The posters respect that and they show many things you may like to do. When the posters were finished we went around with post it notes and wrote comments about the posters.

By Maya and Emily

Recently we went to Edinburgh zoo and we learned about the animals' cycles of life. We saw penguins, rhinos, chimpanzees, gibbons, and apes. Next we went to the lecture room and watched the birth of an elephant. It was a very interesting day and it linked to our sex education lessons.

This term we have been doing a fun topic on Scotland. We did some weaving with wool and paper. We found out about life on the Orkney and Shetland Islands. In groups we researched Loch Ness, myths, medieval Scotland, Scottish fashion, wild life and battles. We also did map work and learned facts about Edinburgh.

By Lara and Megan W

We went to Penicuik H.S for a health and well being afternoon. We did fitness activities, handball, basketball and made delicious smoothies. It was great fun!!!

By Dylan and Alexander

In maths we have been learning about time and how to convert analogue time to digital time. We have also been learning about fractions which we thought was very interesting when we learned how mixed numbers and improper fractions are linked.

By Vaila and Chloe

In French we are learning time and we love to play French games. We are good at saying the date and weather every day.

By Isla and Kirsty

Next term we are going to focus on the Keeping Myself Safe Programme, research the work of John Muir as well as sustainability issues. In Maths our focus will be money, decimals and number properties. Not forgetting, of course, the P6 camp at Benmore!

We have been learning how to play cricket with Jack from the cricket club for the last 4 weeks. It has been amazing fun!!!! ;)
