

Primary 2/3 Newsletter

What a busy year we have had with topics on Food and Healthy Choices, Out and About and the Three Little Pigs. Our topics have incorporated social aspects, science, technology and health and wellbeing. This term we have enjoyed watching our caterpillars turn into butterflies and were thrilled to watch them flutter away. We all thoroughly enjoyed our recent trip to Vogrie where we had fun mini-beast hunting and pond dipping with the Rangers. We managed to catch a variety of things including fish and caddisfly larvae who like to hide in sticks!

I've caught a big snail!

Hooray!

We had a rather wet sports day but that didn't dampen our spirits. We all showed our competitive side and were good sports in our sprinting, distance and egg and spoon races. Although we didn't manage to do our potted sports we are hoping to complete this if the weather allows.

On a personal note, I have enjoyed my time with your children. They are an inquisitive lot who have kept me on my toes! I have enjoyed watching their confidence in their own abilities grow. I am sad that my time with them is coming to a close.

I hope you all have a lovely, safe summer holiday. I know that both Mrs McKie and Miss Brykajlo look forward to getting to know you all when you return to school for Primary 3 and 4 in August. HAPPY HOLIDAYS!
