

P6 NEWSLETTER

December 2017

P.E.

In P.E. we have been learning how to play hockey. We learned how to dribble and shoot. We really enjoy our P.E. lessons.

(Nathan, Calum, Jack)

Art

We have used different techniques and media to create some lovely pieces of art work.

We made poppies for Remembrance Day and used our skills of collage to create striking backgrounds for our tree pictures.

(Kai, Lennon, Daniel)

French

In French lessons with Mrs Pringle we have been learning how to count to 100. We have also learned songs, the months of the year, days of the week and how to ask for things. We are becoming more confident when speaking in French.

(Lily, Lucy, Alana)

Scottish Book Week

Last week we celebrated Scottish Book Week by wearing our pyjamas to school and bringing a book to swap. We discussed our favourite books with each other. It was great fun wearing our pyjamas in school.

(Molly, Skye, Sophie)

Topic

Our recent topic was focussed on the Changing Landscape of Scotland. We made volcanoes and did an experiment using vinegar, bicarbonate of soda and food colouring. We made posters and leaflets and shared our learning with P7.

(Paula, Elizabeth, Dougray)

Dynamic Earth

We went on a trip to Dynamic Earth to learn about the earth and how it was formed. We also learned about some natural disasters and how they affect us. It was a lot of fun and we learned a lot. (Ruby, Freya, Annabelle)

Poetry

We have written different poems based on the poetry of Christina Rossetti. We have written about colours, precious stones and feelings. We enjoyed writing the poems even if it was a challenge. (Oran, Rory, Alfie)

Next Term

Topic: We will be looking at Bonnie Prince Charlie and the Jacobites.

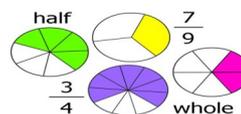

Maths: Times Tables, Number Bonds, Doubles/Near Doubles, Division

Literacy: Report writing

Maths/Number

During our maths lessons we have been learning about fractions, coordinates, and angles. We have been working really hard on converting improper fractions and mixed fractions and on recognising and measuring different angles.

(Megan, Millie, Niamh)

Novel Study

We read the book "Why the Whales Came" by Michael Morpurgo. It is about two friends who befriend an elder man who everyone thinks is mad. The friends have to help him save the whales that become beached on a nearby island. We learned lots of facts about whales and made fantastic leaflets which we shared with P2 and P3/4. (Eve, Imogen, Gracie Lou)

I would like to take this opportunity to thank you all for your continued support and to wish you all a very Happy Christmas and a peaceful and prosperous New Year.

Heather Galbucci
