

Cuiken Primary Home Learning Grid - P4/5

Literacy	Numeracy	Maths
<p><u>Reading</u></p> <p>RWI groups go to RWI grid on Google Classroom and follow the tasks for you that have been set by Mr Palmer and Mrs Cummings</p> <p>ALL - read chapters 2 & 3, can you come up with your own <i>revolting recipe</i> for a marvellous medicine - what might your brew do? Draw a picture of all your revolting ingredients bubbling in a pot.</p> <p><u>AR</u></p> <p>Keep going with your personal reading and completing AR quizzes where you can.</p> <p><u>Writing</u></p> <p>Use the information you collected in the reading task, add some more words you could use to describe your <i>revolting recipe</i>.</p> <p>Use the senses to help you write a description of what your Marvellous Medicine might:</p> <p><i>Taste like</i> <i>Smell like</i> <i>Look like</i></p> <p>Challenge: Try to include appropriate descriptions of what your medicine might <i>sound like and feel like</i> - you'll need lots of imagination for this!</p>	<p><u>Times Tables Challenge</u></p> <p>Choose another of the times tables grids shared on Google Classroom. Time yourself to complete it each day and see if you get faster over the week. #Challengeisgood!</p> <p>Challenge: How fast can you do the multiples of your chose times table? How high can you go counting the multiples of your times table in 1 minute?</p> <p><u>SumDog</u></p> <p>Each group has 15 minute daily challenges to complete. Challenges are a mix of numeracy and maths and are available 9am - 3pm, Mon-Thurs. See if you can complete 4/4, but do as many as you can manage to do.</p>	<p><u>2D Shape</u></p> <p>Can you create your own mindfulness picture inspired by a range of 2D shapes arranged together on paper? Use a ruler and black ink/pencil to draw your shapes. You could either colour your picture or share it with someone else to colour.</p> <p>Challenge: Can you name and label at least ten different 2D shapes?</p> <p><u>SumDog</u></p> <p>Each group has 15 minute daily challenges to complete. Challenges are a mix of numeracy and maths and are available 9am - 3pm, Mon-Thurs. See if you can complete 4/4, but do as many as you can manage to do.</p>

Cuiken Primary Home Learning Grid - P4/5

<p>Family Fun</p> <p><u>Family Band</u> Last year we learned about the science of sound, making vibrations to create instruments. Try making a few different instruments and have fun creating a family band if you can persuade your family to join in too! Maybe you should get them to audition for you? ;)</p> <p><u>Ball Games</u> Teach your family the Ball game you devised and try it out.... Let us know if it worked well and if they enjoyed playing it, give your game a name!</p>	<p>P.E</p> <p><u>Take a Walk</u> Walking is a fantastic exercise for both your physical and mental health. Have you got a favourite walk? Maybe you could take a different route? Try to get out for walk each day, if you can.</p> <p><u>Joe Wicks</u> Keep going with your Joe Wicks workouts! Challenge yourself to complete it every day and by the end of the week you will be able to do more than at the start!</p>	<p>Health and Wellbeing</p> <p><u>Kindness Campaign</u> Being Resilient is about adapting to change and as well as being able to 'bounce back' into our 'normal lives' when lockdown finishes, being resilient especially at this time gives us room to reflect and appreciate the lives we have, this of course involves the people we live with. Here are some questions for you to think about and again if possible write your thoughts in your jotters. Giving - what have you done for other people in your household or what has someone done for you? Relating- do you find you are talking more to your grownups/ brothers/sisters or whoever you live with?</p> <p><u>RME</u> RME - This week is the beginning of Ramadan, where Muslims fast for a month during the day. If you had to give up one meal for a month what would it be and why?</p>

<p>Technology</p> <p><u>Log onto GLOW and accept invite to Google classroom if you haven't already</u></p> <p><u>Google Classroom Code - inge3ba</u></p> <p><u>Getting to know Google Classroom</u></p> <p>Can you try and complete some of your work on Google classroom or can you try and upload a photo or share something you've enjoyed.</p> <p><u>ICT- Dance Mat Typing</u></p> <p>Keep learning how to touch type, using dance mat typing, this can be found at BBC Bitesize</p> <p>https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr</p>	<p>Expressive Arts</p> <p><u>Art Observational Drawing</u></p> <p>Now that the sun has started shining new spring flowers are sprouting outside. Get out and observe something beautiful like a new flower and see if you can sketch it and then use colour to bring it to life. Happy drawing ☺</p> <p><u>Tik-tok DANCES</u></p> <p>You don't need the Tik-tok app to bust some shapes to your favourite song. Create a dance to go with your favourite tunes.</p> <p><i>Challenge: Can you get an adult to film you and share on Twitter? Have fun!</i></p>	<p>IDL</p> <p><u>Map Your Area</u></p> <p>Can you explore the area around your house and draw a map from a birds-eye-view? What interesting things can you find that you hadn't seen before?</p> <p>You could also use Google Maps to do this task virtually.</p> <p><u>Sciences</u></p> <p>Log onto Education City Homework and try the Science tasks</p> <p>Dried out and for an extra challenge Home and Dry</p> <p>(think back to our Rainforest study and how it was an important part of the water cycle)</p>
--	--	--

Complete each activity on the grid - these can be completed in Green Jotter you were given.
